Responsibilities Specific risks related to computer networks
You declare that you know and accept the characteristics specific to computer and telecommunications networks. In particular, ABO FACTORY SAS cannot be held responsible in the following cases, without this being an exhaustive list:
Interruption of networks, delays or delays in the delivery of electronic messages or any other data;
Hardware or software failures;
Malevolence, data theft, computer viruses, insufficient protection and backup measures;
Handling errors, misuse of hardware and software;
Loss of data and/or transactions, business interruptions or other loss of a pecuniary nature resulting therefrom;
Problems related to the content of websites, e-mails and all information transmitted by the networks;
Misuse or malicious use of data, text, images or information
Any case of force majeure, unforeseeable event or any other cause beyond the control of ABO FACTORY SAS.
ABO FACTORY SAS does not exercise control, in any form whatsoever, over the nature or characteristics of the data which may pass through its server center. Consequently, ABO FACTORY SAS assumes no liability for services accessible via the Internet and in particular for any damage, direct or indirect, whatever the cause, origin, nature or consequence, caused by the access of anyone to the site, or the impossibility of accessing it, the use of the site and/or the credit granted to any information coming directly or indirectly from the latter.
Hyperlink
Sites external to ABO FACTORY SAS with a hypertext link to this site are not under the control of the latter, which therefore declines all responsibility for their content. These links do not in any way constitute an endorsement or partnership between ABO FACTORY SAS and these sites, which are subject to their own terms of use and privacy policies.
